PENNBC SCHOLARSHIP TO ATTEND 2021 ICC CONFERENCE IN PITTSBURGH – ROUND 2

Instructions

The International Code Council (“ICC”) will be holding its 2021 annual conference in Pittsburgh, PA on September 19-22, 2021. Attending ICC conferences provided participants with access to valuable educational programs, unique networking opportunities, and access to code development hearings. PENNBC desires to encourage as much participation from our membership as possible given the unique opportunity to attend an ICC conference within our own borders. PENNBC members in good standing can apply for a scholarship to fund travel, lodging, and/or registration expenses. This scholarship program replaces the ICC Participation Grant Program for 2021. To that end, PENNBC has created a merit-based scholarship program to fund member participation in the 2021 ICC conference. **Completed applications are due to PENNBC no later than June 30, 2021.** The Scholarship Review Committee, as appointed by the President, will review applications redacted of any personal identify information and announce award decisions July 31, 2021. Awards will range between \$250-\$750 based upon membership demand.

DATE: _____

MEMBER NAME: _____
